### BEWARE THIS DISEASE

Financial physicians are warning against the new disease which is appearing in many parts of the country. They have named it "Imthureza." Persons attacked by this disease uniformly utter the cabalistic words, "the war is over," and decline to take any further interest in the Nation's affairs. No serum has been discovered which can prevent the ailment, but investing regularly in War Savings Stamps and Registered Treasury Savings Certificates is a preventative as well as a cure.

### INDIGESTION, BILIOUSNESS, CONSTIPATION.

### RED CROSS SENDING OUT HOSPITAL SUPPLIES.

Two hundred and fifty packing cases filled with hospital supplies are to be sent out this week to hospitals in Ohio, Indiana and Kentucky from the Red Cross warehouse at the Lake Division headquarters, 2157 Euclid avenue.

These cases contain 2,000,000 articles—pneumonia jackets, absorbent pads, gauze compresses, bandages, night gowns, pajamas and baby clothes. These have been turned in Red Cross chapters in the Lake Division.

Women who met each week during the war to make surgical dressings are now meeting at the Red Cross warehouse to inspect garments and pack cases. This work is part of the co-operation of the American Red Cross with the American Hospital Association. At the request of the hospital association the Red Cross is distributing supplies intended for war purposes among needy hospitals in the United States.

At the Lake Division Red Cross warehouse there are sufficient supplies to fill 3,000 more cases. These will be distributed as orders are received from the American Hospital Association. It is one way the Red Cross is adjusting its war-time organization to peace-time needs.
